MEMORANDUM FOR: Chief, External Affairs Staff  
FROM: Director of Central Intelligence  
SUBJECT: Freedom of Information Act

1. I did talk to Senator Hatch. He understands how things got screwed up and didn't intend to pay any attention to it anyway. He's for exempting us and so is the Committee. He said the thing to do is to have a letter go up to him saying that the Administration is supporting exemption. Perhaps [ ] could do it. Perhaps you want to get [ ] to do it. Then get the language up as soon as possible. Hatch seemed to prefer a proposed amendment to the Administration bill. He said that he intended to have another day's hearings and have the Committee sit down and put together a comprehensive bill. He indicated the d'Amato bill was not going to fly.

2. You and [ ] take the action on this and let me know when I should weigh in.

*for* [ ]  
William J. Casey
